## Profile

---

Full Stack Web Developer and IT Professional with **5 years** professional experience. Highly proficient with JavaScript and the DOM, HTML, CSS (SASS), TypeScript, React, Next.js, SQL, Git, and ColdFusion. Lover of all things frontend - currently building projects with Tailwind CSS! Solid understanding of the Client / Server Model, Chrome Dev Tools, and debugging web applications from the front and backend. Demonstrated ability to bring performant and accessible web applications from concept to reality.

## Professional Experience

---

- |                   |  |
|-------------------|--|
